

Winners vs Losers

The winner is always a part of the answer;
The loser is always a part of the problem.

The winner always has a program;
The loser always has an excuse.

The winner says, "Let me do that for you."
The loser says, "That's not my job."

The winner sees an answer for every problem;
The loser sees a problem in every answer.

The winner sees green near every sand trap;
The loser sees two or three sand traps for every green.

The winner says, "It may be difficult, but it's possible."
The loser says, "It may be possible, but it's too difficult."
